Appendix 2

Retreat Task Force

Following are the SDGs we identified at the retreat. The top two in terms of priority ratings (1 & 16) are shown in bold. The remaining SDGs are shown in order of priority to the group:

SDG 1: Good Health & Wellbeing
SDG 16: Peace, Justice, & Strong Institutions
SDG 5: Gender Equality
SDG 10: Reduced Inequality
SDG 1: No Poverty
SDG 8: Decent Work and Economic Growth
SDG 17: Partnership for SDGs

We would like all PCUN entities – committees, task forces, ad hoc entities -- to make explicit the SDGs that apply to your activity. This could simply consist of a sentence at the bottom of your communications indicating that activity is relevant to a particular SDG.

If you then forward these documents to the Retreat Task Force, we can make a bimonthly report regarding PCUN as a whole.
